Engineering /Consultancy

Consultancy Services in Engineering, Project Management, Specialized Engineering Studies & Analysis

Project Management

Scope Management, Cost Management, Quality Management, Risk Management, Change Control Management

Steel Fabrication/Construction

Offshore / Onshore platform structure, Oil rig construction, Outfitting steel structure

Hull Outfit : Fabrication & Installation

Ladders, Hand Rails, Walkway, Platform, Equipment Foundations, Doors, Hatches & Manholes, Bollards, Anchor Racks, Sea Chest, Anodes, Flooring, Gratings

Piping Fabrication &Installation

Marine pipe system, High Pressure pipe system, Hydraulic system

Rope access - Work at height

Work at height utilising rope access techniques

Mechanical Services

Marine equipment installation, Drilling equipment installation, Auxiliary equipment installation

Electrical Services

Power distribution and control system, MCC switchboard, Cable laying and termination

System Testing and Services

Pre commissioning and testing, Multi discipline trades personal to support testing and commissioning

Procurement and General Supply

Drilling & Production Products

Major product offerings include OEM parts, rotary and vibrator hoses, fluid end expendables, triplex pump modules, drill lines, choke and kill hoses.

Tool, PPE, and Safety

Extensive inventory of hand/power tools, safety products, protective clothing, boots, helmets, glasses, gloves, face shields, goggles, facemasks and/or respirators.

Plate, Pipe & Tube

Leader in breadth and depth of product in many grades. Carbon, alloy, stainless pipe, instrumentation tubing, fiberglass and poly.

Valve and Actuator

Valves covering both upstream and downstream sectors. Ball, multi-turn, specialty check, butterfly, gate and plug. Valve actuation.

Fittings & Flanges

Carbon and alloy steel in butt-weld & forged, bolts & gaskets, instrumentation fittings and other fittings.

Electrical Products

Major product offerings include cables, cable glands, cable tray and support systems, conductivity, control apparatus, electrical accessories, enclosures, fiber optic assemblies and accessories, motors, industrial fittings, light fixtures, and specialty items.

Mooring equipment & accessories.

Wide range of mooring equipment, anchors, lines, ropes, bouys, bollards, fairleads, shackles, swivels, etc.

Procurement and General Supply

Gauges & Sensors

Wide range of pressure gauge, manometer, thermometer, sensor and other analog meters.

Paint & Coatings

Extensive inventory of acrylics, epoxies, coatings, primers paint and thinners.

Pumps & Motors

Product offering includes know OEM pumps, motors, cylinder of various sizes, bearings and spare parts.

Lubricants Sealants & Grease

We carry high-quality oil, lubricant, grease, sealant, compounds, degreasers, cleaners and pipe dopes.

Life Saving & Fire Fighting items

Our product range of life saving equipment includes: Breathing Apparatus sets, Immersion Suits, Life Jacket, Safety Harnesses & Lines, fire extinguisher, fire hoses, cabinets etc.

Hose & Hose Fittings

Major product offerings include wide range hydraulic, pneumatic, industrial hoses, fittings and filters.

Container, Basket & units

Wide range of Offshore, Demountable, Construction, Module, Cabin, Office and WC containers
